

**\*Prize Draw Terms and Conditions:**

- These terms and conditions (the rules) apply and all participants are deemed to have read, understood and agreed to be bound by these rules, which are final and binding.
- The promoter of the prize draw is Cobweb Solutions Ltd, of South Wing, Delme Place, Cams Hall Estate, Fareham, Hants, PO16 8UX and the decision of Cobweb Solutions is final in all matters relating to this prize draw and interpretation of these rules and no correspondence will be entered into.
- The prize is worth £1400 and includes Cobweb Hosted Exchange, Web Hosting and CobwebHR for up to 10 users for a 12 month period. The prize must be accepted as offered, there are no alternatives. Cobweb Solutions Ltd reserves the right to substitute a prize of equal or higher value.
- You must register and complete an entry form by the 31<sup>st</sup> July 2009 to enter this prize draw. Registration is free and easy to do, if not already done so you must use the registration form above.
- There is a limit of one entry per individual, and entrants must be more than 18 years old.
- After the 31<sup>st</sup> July all users who have submitted the registration form, will be put into the prize draw to determine the winner.
- The winner will be announced on 31<sup>st</sup> July 2009 and contacted by telephone in the first instance and email thereafter.
- If the prize is unclaimed after more than one month and reasonable efforts have been made to contact the winner a further prize draw will take place.
- Cobweb Solutions Ltd reserves the right to feature the name of the winner on the <http://www.cobweb.com/> and its associated websites.
- The Prize Draw is not open to employees of Cobweb Solutions Ltd, their families, or anyone else directly or indirectly involved in the running or promotion of the Prize Draw. Cobweb Solutions Ltd reserves the right in its sole discretion to exclude any online application from the Prize Draw at any time.
- Cobweb Solutions Ltd takes no responsibility for entries lost, delayed, misdirected or incomplete due to server functions or failures, virus, technical problems or any causes.
